

Board of Directors Compensation

At OneAZ Credit Union, we believe in transparency and accountability to our members. Our Board of Directors plays a critical role in guiding the strategic direction of our credit union, ensuring that decisions are made with the best interests of our members in mind. In line with our commitment to transparency, we're proud to share information about our board structure and stipend.

Board Members

Our board consists of dedicated individuals who bring diverse expertise and perspectives to the table. They are committed to upholding the values of our credit union and serving the needs of our members. Here are the details of the stipend they receive for their service:

- **Board Chair:** \$35,000
- **Board Members:** \$28,000 each
- **Advisory Director:** \$14,000

Supervisory Committee

In addition to our board, we have a Supervisory Committee responsible for ensuring the integrity of our operations. Here are the details of the stipend our Supervisory Committee receives:

- **Supervisory Committee Chair:** \$14,000
- **Supervisory Committee Members:** \$10,000 each

We understand the importance of transparency in maintaining the trust of our members. That's why we openly share information about our board structure and compensation. If you have any questions, please don't hesitate to contact us.
