THIRD QUARTER 2023

PRESIDENT'S MESSAGE

Dear Members,

I am honored and excited to join OneAZ Credit Union as President & CEO, stepping into this new chapter filled with endless possibilities and exciting opportunities. I want to express my gratitude to the OneAZ Board of Directors, the leadership team, and all associates for their trust and support as we embark on a journey to provide an exceptional banking experience for our members.

Throughout my career in banking and financial services, serving credit union members has been my passion. For two decades, I have been committed to the credit union principle of "people helping people." This motto lies at the core of OneAZ's mission to "truly improve the lives of our members, associates, and the communities we serve."

In today's rapidly evolving world, where technology and artificial intelligence are reshaping the banking landscape, our dedication to your financial well-being is more important than ever. We see these advancements as opportunities to enhance your banking experience by providing more efficient and effective services.

As President & CEO, I am dedicated to serving you and addressing your banking needs. Together, we will navigate the future, embracing innovation and delivering exceptional value to you and your family. My door is always open, and my cell phone is always on, so please do not hesitate to reach out if I can be of service.

Thank you for being a member of OneAZ Credit Union. We are committed to your financial success and look forward to building a stronger and brighter future together.

My Best,

Brandon Michaels
President and CEO
